I can make this if you handle the TASC call Ana. Is there the possibility that EPA person can make it as well? Also, will I have a chance to briefly present the community perspective? Thanks, Debbie

It sounds great but I am all tied up on the 16th already - maybe someone else from the CAG can make it?

Hello ladies. This was forwarded to me from Steve Kehayes from our brownfields office. I don't think I can attend (unless I change a bunch of stuff around) but even if I could I am not sure I should be the one. That's why I am copying you. For it really to be balanced, I think the discussion should be from the community (CAG) and from the lead, EPA.

Tell me what you think....I have not gotten back to Deb Hoffman yet, and it seems they could accommodate whatever we want. Please advise as soon as you get a moment. Thx, Janine

Dear Steve and Janine:

Thank you so much for the very important information/perspective. I am not well versed in the topic and did not realize that our speakers would not provide a "balanced" presentation. Janine: would you be available to attend to discuss your efforts and the Passaic River Study? I have email blasted an invite to over 1500 of my closed Outlook friends and we are receiving a robust RSVP. Please advise asap so I can add you to the agenda and promote your attendance. This is short notice, the meeting will be held on January 16, 2013 at 3 pm in my office in Totowa – note address below.

And thank you again Steve – always so supportive of our efforts!!!

Warmest,
Deb Hoffman

Deb, you're only going to hear one part of the conversation from the CPG, that of the polluters. Janine MacGregor, copied above, is our manager working on the Passaic River Study. She would certainly add balance to the presentations.

Janine, Debbie Hoffman, Executive Director of the Passaic County Economic Development Corp., is a dear friend and partner. Any way you can help her is appreciated. Thank you

Steve

Please join us for this important meeting!!

Passaic County Brownfields Commission Meeting

Attendance is complimentary – An RSVP is requested.

ecodev@passaiccountynj.org

973-569-4720

Special Complimentary Invitation

January 16, 2013

3:00 PM to 5:00 PM

Special Guests

Ray Germann

Mike Barbara

Anthony Bianchini

Lower Passaic River Study Area Cooperating Parties Group (CPG)

The CPG is a group of 70 companies that is currently meeting with municipalities and county officials located along the Passaic River to discuss the cleanup of the Passaic River and their current efforts with the USEPA. Representatives from the Lower Passaic River Study Area Cooperating Parties Group will provide a presentation on "A Sustainable Remedy for the Lower Passaic." The presentation will discuss their proposed plans to clean up areas of contaminated sediment in the River and reduce ongoing pollution coming from outside the River. The project would include efforts to clean up the entire lower 17 miles and make the River better, faster, remove contaminated surface sediment with less damage to the ecosystem; and include community-based watershed improvement projects that improve River ecology, reduce ongoing pollution from urban runoff, enhance usability and create jobs.

Location:

The Totowa Business Center, Passaic County Department of Economic Development, 930 Riverview Drive, Totowa, NJ 07512, Suite 250, ecodev@passaiccountynj.org 973-569-4720

Attendance is complimentary – An RSVP is requested.
